

Are you looking for a job or an opportunity?

As an independent, family-owned Group, ARAG is flexible and receptive to new ways of thinking. That enables us to develop strong insurance and old-age security products that have earned numerous awards and high ratings from independent experts. Join the staff of one of the largest legal insurers in the world and make your contribution to the international success of the ARAG Group. Within the scope of our international Graduate Trainee Program we are looking for one

Trainee (m/f)

for each of the six Management Board Divisions of ARAG SE, the operative holding company of ARAG Group with headquarters in Düsseldorf, Germany

What do we offer?

- ✓ You will start your Trainee Program at ARAG SE headquarters in Düsseldorf on 1 July 2015. The program lasts 24 months in total
- ✓ You will receive a profound practical training and insight into different departments of the respective Management Board division working both in operations and on projects
- ✓ You will be offered an extensive individually-tailored seminar program and mentoring by an executive staff member

What do we expect?

A Bachelor's/Master's or Doctorate degree with above-average qualifications in the following disciplines, fluency in written and spoken English and knowledge of German language to the extent described below:

- | | |
|--|--|
